

## Deposit

PROTAC ARMORED COATINGS LLC will require 50 % of our quoted price upon receipt of your firearm or item for finish and the remaining 50% owed before your firearm is shipped back to your FFL dealer. This deposit may be waived for local customers if we have all of the required colors and templates in stock, or if we have an established relationship.

If the customer decides to cancel the finishing before any work is done, the deposit will be returned less the cost of any supplies that were purchased for the job, shipping costs, and a flat fee of 15%. If any work has been performed, the customer will be charged for the work that has been done.

## Shipping of Firearms

All firearms must be shipped to a federally licensed firearms dealer.

We **must** have a signed copy of a current FFL prior to shipping.

Firearms will be shipped **only** to the address printed on the FFL.

Adult signature **will be required** for delivery. All packages are insured and delivery is confirmed.

If you are planning to ship a firearm to us, please contact us for options and instructions.

PROTAC ARMORED COATINGS LLC **will not** ship any firearm or other item to any location where ownership, sale or transfer of that firearm is restricted by law.

PROTAC ARMORED COATINGS LLC is **not** responsible for loss or damage that may occur during shipping.

If a firearm is physically dropped off to PROTAC ARMORED COATINGS LLC it must be dropped off by the legally registered owner of the firearm and will only be returned upon completion of the firearm to the registered owner of the firearm.

## Warranty Info

Although Cerakote® finishes are more durable than any traditional finish, PROTAC ARMORED COATINGS LLC will make no guarantee concerning the use of this product in any specific application or environment. PROTAC ARMORED COATINGS LLC is not responsible for wear or damage to your Cerakote® finish due to normal use or abuse.

PROTAC ARMORED COATINGS LLC will always attempt to clearly communicate to each client the results that may be expected; however all artwork is subjective in nature. PROTAC ARMORED COATINGS LLC is not responsible for misconceptions or misunderstandings concerning our patterns or custom artwork. While we will attempt to work through any such misunderstandings, the client is responsible to pay for any work that is already completed.

I FULLY UNDERSTAND AND ACCEPT that a deposit may be due before custom work is started, and full payment is required before my firearm or accessories are returned. My firearm will be held as collateral until full payment is made. If payment is not made within six months from the date payment is due, I agree that my firearm is then forfeit and becomes the property of PROTAC ARMORED COATINGS LLC.

I understand that PROTAC ARMORED COATINGS LLC makes no warranty concerning the results of the custom work, including, but not limited to, the look of camouflage patterns or artwork, durability of finishes, suitability of finish for any particular application, or safety, function, or reliability issues that result from the customization of my firearm.

I understand that certain work may be required to prepare my firearm for custom work. This work may include disassembly, stripping finish or oil with chemicals, sandblasting parts, sanding, and masking. Sights and/or optics may have to be removed or adjusted and may lose zero as a result. I understand that due to age, use, damage, corrosion, or factory defect, some parts may fail during the disassembly/assembly process. I will not hold PROTAC ARMORED COATINGS LLC responsible for any damage that may occur during customization of my firearm. **Initials** \_\_\_\_\_

I understand that if, in the course of performing work on my firearm, PROTAC ARMORED COATINGS LLC finds that my firearm is currently in a dangerous condition for any reason, PROTAC ARMORED COATINGS LLC will not return the firearm until action has been taken to resolve or repair the unsafe condition. I agree to cover costs incurred during this process (PROTAC ARMORED COATINGS LLC will not perform any work without first obtaining my approval).

Firearm laws and regulations can be obscure and confusing at local, state, and federal levels. As a result, due to accident, negligence, or deliberate lawlessness, some firearms may exist that are not in compliance with firearm regulations. Therefore, if upon receipt of my firearm, PROTAC ARMORED COATINGS LLC finds that my firearm does not comply with applicable regulations, I agree to allow PROTAC ARMORED COATINGS LLC to take the necessary steps to resolve the situation and I agree to pay for any costs incurred. I understand that this may require any of the following steps:

- removal or replacement of parts
- removal of certain accessories
- alteration of the firearm
- surrender of the firearm or certain parts/accessories to the appropriate authorities.

I understand that under no circumstances will PROTAC ARMORED COATINGS LLC knowingly return an illegal firearm to me.

I take full responsibility to ensure that my firearm complies with my local and state laws. I understand that PROTAC ARMORED COATINGS LLC cannot return a firearm to a location in which ownership, transfer, or sale of that firearm is restricted. I agree to take full responsibility if PROTAC ARMORED COATINGS LLC, despite all effort to ascertain legality, unknowingly returns a firearm that is restricted in my area by local or state ordinances. **Initials** \_\_\_\_\_

I understand that although a background check is not required by law for the return of my own firearm, PROTAC ARMORED COATINGS LLC may choose to perform a check if they feel that it is justified.

I agree to pay all charges and costs for the work performed by PROTAC ARMORED COATINGS LLC.

I am not restricted in any way from owning this firearm.

I have read and agree to the above Terms and Conditions.
